Your guide to using Keyways

Under the Keyways scheme, finding a home is easier. It gives you greater opportunity to find a home of your choice and it does not limit you to certain areas.
Welcome to Keyways

About Keyways

Keyways is the main way of looking for Council and Housing Association properties to rent in the boroughs of Corby, Kettering and Wellingborough. Rather than us deciding which housing to offer you, it is now possible for you to decide which properties interest you.

Available properties are advertised each week online at [www.keyways.org.uk](http://www.keyways.org.uk) and in the main Council offices throughout the three boroughs. A printed newsletter can be made available to you if you are unable to access Keyways by other means.

You will need to tell us which properties you would like to be considered for, a process known as “bidding”. The bidding process does not mean that you will pay any money and is purely a method of expressing an interest in a property. You can only bid for a property if your housing application has been accepted onto the Keyways housing register.

You can bid for properties in a number of ways:
- Online using the website [www.keyways.org.uk](http://www.keyways.org.uk)
- By visiting our main Council offices
- By contacting Corby, Kettering or Wellingborough Councils direct. (see page 11 for contact details)

You can see what position you are in the queue for a property via your online account. Each week you can see the successful bidders from the previous bidding cycles in order to help give you an idea of how long you may have to wait to be nominated to a property. This information is available both in the newsletter and on the website.

If, after reading this guide, you have any further questions on how Keyways works, you may be able to find the answer by visiting the “Frequently Asked Questions” section of the Keyways website.

Need more help? If you need more assistance please contact the Keyways council where you currently live. If you do not live in the Keyways area please contact the council where you would like to live and have a local connection. Our contact details are on page 11.

1 Register

How to register
To apply to join the Keyways Housing Register you will need to complete an application form which can be completed online at www.keyways.org.uk or in customer service centres throughout the three boroughs. You must be aged 16 years or over and if you are under 18 years of age you must provide details of a suitable guarantor. If you do not provide this you will not be able to bid for accommodation before your 18th birthday. The application form enables you to apply for a Council and/or Housing Association rented home. It also enables you to see available low cost home ownership properties and accredited private rented properties.

To complete your application you will need the following:
- The national insurance number(s) for all member(s) of your household aged 16 years and over
- If you are not a British citizen, evidence of your right to reside in the UK (e.g. passport and other relevant documents from the Home Office)
- Minimum 5 years address history including telephone contact details for all previous landlords
- Details of any former or current housing related debt
- Details of any criminal convictions and/or any anti social behaviour convictions for you and any other members of your household

If you are not a British citizen, or if you have indicated that you or a member of your household have rent arrears or criminal / antisocial behaviour convictions, we will conduct further verification checks to decide if we can accept you onto the Keyways Housing Register. We will aim to contact you within 5 working days of receiving your application if we need any evidence to confirm your details. We also aim to contact you to confirm if your application has been accepted within 14 days of receiving your completed and signed application, declaration form and any further information that we require.

Before you are offered a property you may be asked to provide further documents to support your application. We will tell you which documents to provide and when to provide them. All documents provided must be originals, up to date and valid.

We will advise you if you have not completed your application in full. We are unable to accept / verify / register any application until we receive a fully completed application form and signed declaration.

What happens once I have registered?

If you are accepted onto the housing register we will write to inform you of:
- Your personal reference number
- The band your application has been awarded
- Your band effective date

You must tell us if there are any changes in your circumstances so that we can reassess your application and if necessary make changes to your band and effective date. You can notify us of any changes by updating your application via your online Keyways account.

If you move to a new address, change telephone number or email address, you will need to inform us.

How are properties advertised?
Properties are advertised each week on the website at www.keyways.org.uk, the main Council offices in each borough and the newsletter.

Available properties will be advertised weekly from 0:01am on a Thursday through to 11:59pm on the following Tuesday*. You can place up to two bids during this time on social or affordable rented properties and unlimited bids on both low cost home ownership and accredited private rented properties.

The adverts
The adverts advise you of the landlord, location, size, rent and other features of the property to help you decide which properties are right for you.

The advert also informs you of any special requirements, such as a minimum age requirement that an applicant must meet. Adverts will also state where priority will be given to applicants who have a specific mobility/disability need.

A key to the terms and symbols used in the adverts and on the website can be found on page 5.

Expressing your interest in a property (placing a bid)
You can bid for up to two social or affordable rented properties each week. It does not matter at what time during the advertising cycle you place your bid. Being the first person to place a bid does not necessarily mean you will be offered the property. Please be advised that your position in the queue can change during the advertising cycle as more people place and withdraw their bids. You can express your interest in any of the following ways:

- **On the website**
  Visit www.keyways.org.uk and login using your personal reference number and the date of birth of the main applicant

- **In person**
  By visiting any of our main Council offices where staff can help you to bid

- **By telephone**
  By contacting any of our Housing Options Teams where staff can bid for you (see page 11 for contact details)

*Advertising and bidding cycles may change at certain times of the year such as Christmas.*
Offer

All bids received will be put in priority order to produce a list of eligible applicants for each property advertised. Please note that due to applicants placing bids on a daily basis and having the ability to withdraw bids during the advertisement cycle, your final position in the queue may be different from when you initially placed your bid. If you are the successful bidder we will contact you by telephone. If you do not respond within 24 hours we will skip you and offer the property to the next eligible applicant(s) on the shortlist. You must ensure that we have the correct contact details for you i.e. home telephone number, mobile, email etc.

If you are the successful bidder, verification checks will be completed such as tenancy references, debt checks, anti social behaviour, medical history and who resides in your household.

The landlord of the property will then contact you to arrange to visit you to verify the circumstances and information we hold about you. They may also undertake further verification checks such as financial affordability.

Providing you pass all verification checks you will be invited to view the property. If you fail the verification checks you will be provided with the reason(s) for this and whether this affects your application. Examples of why you might fail the verification checks are; your circumstances are not the same as you have stated on your application form or you have rent arrears. If an applicant(s) fails the verification checks we will move to the next eligible applicant(s) on the shortlist.

If you decide to refuse the property it will be offered to the next eligible applicant(s) on the shortlist. You may be penalised for refusing a property and should therefore discuss this before making your decision. If after the viewing you decide to accept the property, the landlord will contact you when it is ready to let and arrange to sign the tenancy agreement and collect the keys.

Feedback

We publish information about homes that have been let and include the number of bids for the property, the band and band effective date of the successful household. This will give you an idea of how popular a particular property or area is and how long you could have to wait. You can then decide whether to bid on other property types or areas where you may not have to wait as long. This information is published in the “Recent Lets” section of the Keyways website.

visit: www.keyways.org.uk
What do the symbols mean?

The symbols that appear on the adverts are for information about the property or eligible criteria. Below is a sample of the most common symbols. Each advert will have icons and if you place your cursor over them, a pop up box explaining their meaning will be presented.

Types of property

Social or Affordable rented property
Social or affordable rented property provided by Corby Borough Council, Kettering Borough Council, Borough Council of Wellingborough or a Housing Association.

Low cost home ownership property
Please note, a shortlist of the highest bidders for these properties will be sent to the Housing Association. They will contact you with more information about purchasing a share of the property. Therefore, you should only bid for this type of property if you are able to fund the required purchase amount.

Private sector property
An approved property available from a private landlord. Please note, private landlords can offer properties to any applicant that bids for it. They do not have to offer it to the highest bidder.

Mutual exchange
If you are interested in a mutual exchange please visit www.kettering.houseexchange.org.uk for Kettering Borough Council properties and/or www.homeswapper.org.uk for Corby Borough Council properties.

How are applications prioritised?

Below is a general list of bands relevant to all partners of Keyways. For a full comprehensive explanation of Bands in each area (Corby, Kettering and Wellingborough), please refer to each Councils full Keyways Housing Allocations Policy which can be found on the Keyways website. All Keyways application forms will be assessed and placed in one of four or five bands below. Within each band applications will be placed in date order. This is the “band effective date”. The application with the oldest band effective date has the highest priority within each band.

Moving between bands
If your circumstances change and you move up a band the date used will normally be the date you moved into that band. If you move down a band the date used will normally be the date that you were previously in that band.

Time limited bands
If your application is placed in Band A there is a time limit. At the end of the time allowed your application will be reviewed and your priority Band may be reduced. Time in Band A is only extended in exceptional circumstances.

Band A: Emergency housing need (4 week time limit)

- You are a social rented tenant living in the Keyways partnership area who needs to move because your property needs major renovation, extensive repairs or extensive adaptations.

You are given preference only for properties that match your household needs; however you may be permitted to bid on larger properties in certain circumstances.

Please note:
- If a household’s circumstances do not fit any of the criteria outlined in this matrix below then the Housing Options Manager at each Council will decide what type of property a household is eligible to bid for.
- ‘Household’ includes single adult or couple.
- ‘Couple’ includes same sex couples.
- Sheltered accommodation will be offered to elderly households in the highest band. Each council has their own allocation criteria and you should refer to individual policies. In some cases applicants may be refused sheltered accommodation if their needs are assessed as being too great for such housing.
- *Households expecting a child will have an additional entitlement to a house/bedroom from the 3rd trimester (27 weeks)*
- The number of bedrooms that a household with children can be considered for is also dependent on the age and gender of the children, not just the number. For example only certain households with 3 children will be able to bid for a 4 bedroom property. Refer to the councils individual policies for more information.

Bidding on the website

The website address to use when placing a bid is www.keyways.org.uk

On the website you can find full details of the Keyways scheme including everything in this document. You can search for properties that meet your needs and see the full details of those properties. You can also place a bid, withdraw a bid, and find out what you are allowed to bid for and what your current queue position is for a property.

You can only bid for properties which match your housing needs.

For example, if the advert states that the property has one bedroom; households needing more than one bedroom will not be able to bid.

What you need to bid

In order to bid you will need:

- Your personal reference number
- Your memorable date (this is the date of birth of the main applicant on your housing application)
- The property reference number(s) that you want to bid for

Don’t be worried about the word ‘Bid’, you do not need to pay any money. This only means that you are actively interested and wish to be considered for the property and/or properties you are applying for.

1. Type www.keyways.org.uk in the address bar of your internet browser.
2. Click the Login/My Account button and enter your personal reference number, which you have received by post. Also enter the memorable date. This will be the date of birth of the main applicant and should be entered in the following format; DD/MM/YYYY.
   On this screen you will see your personal account details (see Diagram 1).
3. Click the Property Search option to look for current available properties (see Diagram 2).
4. A list of properties matching your search request will be displayed. If you are allowed to bid for a property an Apply Now button will show. If you bid for a property your queue position for that property will also be shown. Please note that your queue position can change during the bidding cycle if other bids are received. If you are not allowed to bid for the property the reason will be displayed.
5. Bidding is a 2 stage process. Please ensure you complete both stages. After clicking the Apply Now button you will be asked if you wish to be considered for the property. After confirming this you will be told that your request has been recorded.
6. If you decide that you want to remove your bid you can click on the Login/My Account button and select the button called My Bids. You can withdraw a bid by following the on-screen instructions. Your withdrawn bid is then confirmed and you can reuse that bid for another property.
